To Whom It May Concern,

The purpose of this letter is to express my appreciation and recommendation of Cristian Lopez. I have known Cristian on a professional level for several years and he was a contributor to our company, IMUSA USA, LLC.

Cristian originally was hired in the Marketing Department and later shifted his talents to the sales support team and operations teams where there were opportunities and improvements in our process. Cristian always maintained a positive attitude and solid work ethic as well as being a team player. He learned how to multi task and used his customer service skills in his various positions dealing with end consumers as well as customers.

Unfortunately, our company restructured these departments and as a result his position was eliminated. Please use this letter to serve as a formal recommendation for the position he is applying for. Should you have any questions, I can be reached at the below contact information.

Sincerely,

Manuel A. Gaunard III
